

## Empowering Your Student to Succeed

Every student has potential. At Insight School of Indiana, a Hoosier Academies Network School, we work with students and their families to help them overcome obstacles with a unique and highly supportive approach. Our experienced teachers and counselors inspire students to take ownership of their learning and help them to succeed. Insight School of Indiana belongs to the family of schools led by K12—America’s leader in online education, which gives us and our families access to the best curriculum, support, and services in the field.
